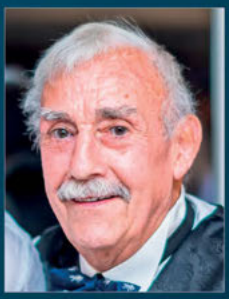
A MESSAGE FROM THE PRESIDENT – Keith Brierley



Hello, welcome to Preston Grasshoppers to today's opponents Sheffield Tigers and to visitors, guests, sponsors, coaches, players, ex-players, supporters and spectators for our second home game of the season.
It gives me immense pride to be President of Preston Grasshoppers in our Sesquicentenary year and it seems only yesterday that I was celebrating our Centenary year as a 1st XV player, which has provided me with life long friendships and happy memories.
We have always had competitive games against Sheffield Tigers and I am sure that today, Hoppers will be doing all in their power to take the home advantage in our second home league game of the season particularly after a strong performance against Scunthorpe last week. Hopefully, today's game should offer some entertaining and competitive rugby, each team looking for the win to set down a marker for the season ahead.
This is my second year as President and I have been to some new destinations and met lots of new and interesting people from the various clubs that we visited last season. Our success after promotion to League 2 North last season left us in a creditable 7th position in the league but this year we are looking to improve on that.
I feel I must thank Paul (Arnie) Arnold and his excellent coaching staff and not least the players who are all playing their part this season.
It has been a great honour and privilege to have served as your President and I am looking forward to carrying on in the same vein through this and next season. I would also like to thank all the army of staff and volunteers for their great work during the forthcoming season.
Keith

CLUB BLAZERS

You may have noticed that there are plenty of club blazers on show at Hoppers matches. We are putting together requirements for a new order to the blazer manufacturers. The price of the first batch came in at £165 but there may be a slight increase in the cost. We'll need at least 10-12 orders before they will commence manufacture as all the original cloth was used up. If you are interested in purchasing a blazer please contact the club.
Tel: 01772 863546 or email: info@pgrfc.co.uk for further instructions.

TODAY'S VISITORS - SHEFFIELD TIGERS

Preston Grasshoppers welcome Sheffield Tigers to Lightfoot Green this Saturday for what will be our second home game in successive weeks this season, last week against Scunthorpe providing our first win of the season, a draw away at Fylde and just one defeat at the hands of fellow Lancastrians Sedgley Park.

Our visitors currently sit just one place above us in the table. Tigers started the season well with two of their victories coming in the first month but last week were defeated by top of the league Caldy.

We only have a short history of meetings with our visitors and senior Sheffield side from Dore Moor which all began after their promotion to Level 4 rugby in 2011. The Tigers were relegated after three seasons at this level but bounced back in 2016 and have now consolidated and are enjoying their second spell and in season in National 2 North.

The two clubs have met 12 times since the Yorkshire side elevated themselves to this level in the league pyramid with Hoppers winning 8 and our visitors 4 thanks to a victory at Dore More in the last meeting between the two in 2018.

IRON MAN MARK

A Father's Day with a difference was celebrated during the close season by our super fit Head Physiotherapist Mark Taylor. Mark took part in the Lakesman Triathlon. Designed to appeal to both the experienced or novice endurance athlete the race is based in Keswick, with a superb transition area at The Theatre by the Lake.
The swim takes place in the crystal clear waters of Derwentwater, generally regarded as the Lake District's most scenic lakes.

The bike route makes the way to the west coast of Cumbria where competitors get to experience a side of the lakes often unvisited by tourists, with mountains on one side and the sea on the other.
During the run stage athletes will have the opportunity running through superb countryside with views to the likes of Skiddaw as well as a spectator friendly section through Keswick town centre.
After completing the triathlon Mark said "What an amazing weekend that was at the Lakesman...from the kid's races, the budgie run to my Father's Day out with a difference.
As for my performance:
3800m (bloody cold) swim - 1hr 29mins
112 mile (bloody windy) bike - 6hrs 6mins
26 mile run - 3hrs 42mins
Total time - 11hrs 41mins
64th overall
Bit pleased with that.
I was blown away by the well wishes that came through from my wife Kate's social media posts on the day, thank you.
P.S. if you want to do stuff like this you need an ace wife like I have!"

RUGBY FOOTBALL CLUB

KUKRI

Head of Rugby Operations, Gareth Dyer

HEAD OF RUGBY OPERATIONS Gareth Dyer welcomed our visitors this week and said

"A warm welcome to our friends from Sheffield Tigers to today's National Two North fixture.
Today represents a huge day in our 150th birthday celebrations. Yesterday was the official 150th anniversary of the formation of our club so today is the closest fixture to that date. Hopefully this will galvanise our players to a victory that will resonate in the club's history for future generations of Hoppers.
Last weekend's performance was positive in that we played some excellent stuff at times and maintained our intensity and focus for longer periods.
I believe the squad we are building at the club has the ingredients to do well. We have been able to accommodate the loss of some key players and with some of those likely to return in the near future, it would be expected that the level of competition will push everyone to the next level.
Attitude is the important component of successful teams and cultures. A squad is only as good as its weakest link. Any player with the wrong attitude reduces the effectiveness of the overall group and hence is its weakest link.
So the message to the squad is simple. Your attitude, not your aptitude will determine your altitude."

Head Coach, Paul Arnold

HEAD COACH Paul 'Arnie' Arnold had this to say this week

"A warm welcome to our friends from Sheffield who have had a great start to the season.
It was pleasing last week to get our fist win of the season against Scunthorpe and I'm hoping we can back it up today with another good win.
We are improving week on week and although at times last week when we clicked we looked good we've still got plenty of things to work on.
Competition for places is good and again I've had to make some tough selection calls.
As always thank you for your support and I hope we have a nice loud crowd joining us away at Wharfedale next week."

Captain, Paul "PJ" Millea

CAPTAIN Paul 'PJ' Millea said this week

"It was great to get the first win of the season last week against Scunthorpe. There were lots of positives to take from our performance, but we have also analysed our mistakes at our "players review " on Tuesday to ensure we are improving week on week.
Training has been tough again this week with a lot of competition for places everyone is pushing hard to be involved on a Saturday.
We didn't put in a full 80minute performance last season against Sheffield and had to hold on at the and for the win. We know that only a complete performance every week in this league will suffice now, so we hope to deliver that today.

Hope to see you in the bar for a celebratory pint after the game."

NEW PRESTON GRASSHOPPERS FLAG

The 1869 Club has generously donated a new club flag to mark our Sesquicentenary. After much debate the design of the old flag has been replicated. This was on the grounds that as explained below in an Article written by Mike Forshaw, the Club's Archivist, a couple of years ago there as too much history associated with the old flag to do away with the design.

The Green Grasshopper

Have you, like me, ever wondered why the flag that is flown on home fixture days, bears a *green* Grasshopper? All other official references show it red!

One thing I can tell you, is that it has been displayed in green on the club flag for over seventy years, at least. That is apart from a period of two years between 1947 and 1949 when we didn't have one! The reason for this; it was destroyed in the infamous Preston Town Hall fire of '47.

It had been taken there for a Club Dance and was still in the building when it went up in flames.

The flag was donated by Lady Ascroft, wife of the then President, Sir William Ascroft, and was unveiled before a game against Heaton Moor at the Faringdon Park ground in October 1930. She also kindly donated the replacement in 1949.

At a Club Dinner in 1949 in the Pavilion at Lea, Sir William, who was educated at Rugby College, was presented with an inscribed silver cigarette casket in appreciation of his 21 years service in that office. After announcing the gift of a new flag by his wife, he called for a rebirth of the club's spirit and interest in a game in which a man could say; that's my ear, take your foot out of it…..and be in complete harmony and fellowship after the fray. The phrase might seem *a little strange* fifty four years later, but thankfully the principle still remains intact.

The cigarette casket referred to above can be seen in the Harris Museum's current display of Hoppers' history in the first floor gallery.

The Club gratefully acknowledges the 1869 Club's generosity in providing a new flag. If you are interested in joining the 1869 Club which among other things arrange regular trips to away matches and a monthly Thursday lunch at the club please contact Les Harrison: dawn.lh@btinternet.com

TEAM FAFFALOT

For the last 5 years, Team Faffalot, a group of ageing rugby players (mainly now ex-rugby players) and others, have been doing coast2coast cycle rides for various charities. This year they decided to change the format of the ride slightly and make it a club2club rather than coast2coast.
The ethos behind the team name Faffalot will continue with the first stop off after setting off on Friday morning being just half a mile away at the Ibis Hotel where they had a hearty breakfast. They then headed off towards Tosside near Skipton for a well-deserved lunch break. This set the tone for the ride where some cyclists have been known to put on weight over the 3 days of cycling instead of losing it!
Setting off early on a Saturday morning from Lightfoot Green, the 'Team Faffalot' arrived safely at Bridlington Rugby Club after a 170 mile journey over 3 days. This is the 6th year that they have undertaken a similar challenge, raising over £12,000 for various causes along the way. This year they raised almost £3000 for Rosemere Cancer Foundation.
Team members included Stuart Crane, Allan Nutter (Chef), Andy Perman, Andy Newsway, Mike (Driving Instructor) Lyth, Mike Jackson, Tony Callaghan, Chris Ford (Fordy), Nev Dugdale, Chris Murphy, Ian Gaskell, Bill Lambert and Mike Gregory (Giggles).
Congratulations and well done Faffalots.

MINI JUNIOR AND COLTS RUGBY AT LIGHTFOOT GREEN

Hugh Duckworth

Welcome back to players and parents alike to the forty sixth season of Mini Junior Rugby at Lightfoot Green. A particularly warm welcome to those registering for the first time.

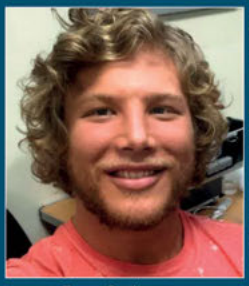
In terms of registered players, 2018/19 saw 400 plus youngsters enjoy the rugby experience at Hoppers. Not only did the number of volunteer coaches and managers increase by 20%, but also there was a planned and effective focus on achieving the England Rugby Coaching Award. This in itself is a tremendous platform for future growth. Two Junior age groups with high numbers played double fixtures throughout the season, thereby ensuring all youngsters enjoyed game time.

The Artificial Grass Pitch, entering its fourth year, has proved to be an invaluable asset, not only allowing more rugby to be played by an increasing number of youngsters but also leading to improved management of the grass pitches. The RFU now appreciates the challenge of providing mid-week training for over two hundred youngsters and has arranged for the club to pre-book two hours on the AGP every Wednesday evening. This represents a tremendous concession and can only lead to an improved standard of Junior Rugby here at Preston Grasshoppers.

Charlotte Kenny Mcinally

The Colts demonstrated tremendous team spirit throughout the season, which culminated in a successful end of season tour to Bristol. Several of the ex-Colts are currently enjoying pre-season training with the first and second team squad. Phill Mills will be lead coach for 2019/20, supported by First XV player Ryan Carlson and Ollie Hoban, a former Colt.

The local Land Rover retailer has sponsored Mini Junior Rugby at Preston Grasshoppers since 1997 and last season saw the fourth name change - to Inchcape. In celebration, our sponsor funded the purchase of brand new kit for the Under 7s to 16s inclusively and for the first time the playing shirts reflected the dual brands of Jaguar and Land Rover. These were not only a great source of pride to the youngsters but also the envy of the opposition!



Ryan Carlson

The club is particularly indebted to UCLAN (University of Central Lancashire) for providing First Aid cover on a Sunday throughout the season. The students have achieved an extremely comprehensive and professional standard, and generated favourable feedback from visiting teams.

Simon Seekings and the catering team deserve a special thank you for serving approaching three thousand portions of sausage and chips to visiting teams. This fact alone reflects the scale of Mini Junior Rugby at Hoppers.

Finally a big thank you to Dave Preston and Derrick Cray for their outstanding commitment to preparing and maintaining the pitches to such a high standard.

In terms of representative honours in 2018/19, fourteen players from the Under 15s and Under 16s were selected for Lancashire, and four for the Sales Sharks Junior Academy. Four ex Preston Grasshoppers players were selected for the Sale Sharks Senior Academy and all played for Sale Sharks during last season.
Arron Reed played for England in the Under 20s World Cup in Argentina, and Kieran Wilkinson in the Under 20s Six Nations.

New milestones were achieved with the Hoppers Festivals, the long-standing and successful one day events for the Under 7, Under 8 and Under 9s and separately for the Under 10, Under 11 and 12s were repeated. For the very first time these were supplemented by an Under 13s Festival, the success of which providing the platform for a much bigger event in 2019/20. The club is indebted to Vivienne Davenport of Westholme School for confirming the continued sponsorship of the Hoppers Festivals in 2019/20.

The Sportsman's Dinner, with Jason Leonard as Principal Speaker, was a sell out. The monies raised contributing to the ongoing pitch improvement programme.

The Presentation Dinners at the end of the season were successful events and achieved record attendances. The Masters of Ceremonies, Ian Gaskell and Daniel Weed deserve a particular vote of thanks. Alex Carson, captain of the Under 16s, presented the awards at the Junior Dinner, he himself receiving the Founders Cup for 2018/19 towards the close of the event.
Oga Mabaya from the First XV proved a popular choice at the Minis Dinner.

The Hoppers Tours go from strength to strength and reflect the scale of Mini Junior Rugby here at Lightfoot Green, with approaching five hundred departing on six separate tours.

Looking forward, the plans for 2019/20 will be threefold.

- Firstly, aim to achieve an improvement in skill levels in the Junior age groups, based on the increased availability of the AGP for midweek training.
- Secondly, retain the focus among the volunteer coaches on achieving the England Rugby Coaching Award.
- Finally, improve the availability of professional coaches to the Junior age groups.

Commitment to these three areas will not only assist in the management of our numbers but also improve the standard of Mini Junior and Colts Rugby offered by Preston Grasshoppers.

NEW FACES

A number of new faces have appeared in the Hoppers line up in the first few weeks of the season. Fly half **Joe Prior** has started three games to date whilst prop **John Blanchard** and centre **Nick Gregson** both made telling contributions off the bench against Fylde last week but one.
The club has moved to strengthen the squad in the key front row and half back positions after experiencing a number of injuries in those areas. Head Coach Paul Arnold said "Injuries are unfortunately a part of rugby and after a relatively long period of being free of serious injuries, we have had a number to contend with in the last few months. **Oga Mabaya** and **James Gough** are both close to returns after an extended period of rehabilitation whilst **Tom Davidson** has now had his operation and will soon be starting his rehabilitation. **Pete Altham** faces a period out of the side and that is a huge loss for us as Pete has been consistently superb for many seasons. **Ryan Purcell** and **Dan Madden** have also been unavailable to us for a period but both will come back into the squad shortly.

It was therefore important that we brought in bodies to maintain the depth and quality within the squad so the additions of Joe, Nick and John are timely for us".

Joe Prior (pictured left) has joined the club from Wigan RUFC after playing rugby league alongside Hoppers favourite Tyler Spence. Equally at home at both scrum half and fly half, Joe was keen to step up to National League level and has impressed the coaches with his organisational ability. Head Coach Paul Arnold said "I've been really impressed by Joe. He's a "gobby" halfback and I like that. He has a strong skillset and has shown he can handle the step up. As he gains more experience he will develop all parts of his game and we are keen to push him to reach his undoubted potential.

Nick Gregson (pictured right) has a fine rugby pedigree being a graduate of the famed Wigan Warriors academy. He made his way through the ranks and made his first grade debut during the 2016/17 season. He went on to make 16 appearances for the cherry and whites before continuing his development with a loan spell with the Swinton Lions. For the 2018/19 season he joined Leigh Centurions but again found himself sent on loan spending spells with Oldham, Workington Town and again back with Swinton. Having made over 50 career appearances he has now made the switch to union having decided he wants to test himself in the fifteen a side code.

Speaking on his move, Head of Rugby Operations Gareth Dyer said "Nick is someone we've been tracking for a while. We were made aware he was looking to try his hand in union and after a period of waiting to see if he was going to become available we are delighted that he has now made the move. He has played fly half and centre in league and he is keen to try both positions in union. He has a strong goal kicking pedigree also which is bonus. With Tom Davidson being out for an extended period, his addition along with that of Joe Prior gives us some real depth in the midfield positions".

Prop **John Blanchard** (pictured left) has joined Hoppers on a loan arrangement from Sale FC. Equally comfortable on both sides of the front row, he has featured for Sale FC in both National 2 and National 1 and has been part of both the Myerscough and Sale Sharks Academies. Paul Arnold said "Blanny is a great addition to the squad. His versatility is a positive but I think getting regular game time under his belt at this stage of his career will really benefit him. He made a strong first impression last weekend and there will be more to come as he gets used to our style and he gets that 80 minute match sharpness. I'm indebted to Jonathan Keep at FC for allowing him to come to us".

Welcome to Hoppers Joe, Nick and John!

HOPPERS CRICKETING HEROES WIN LEAGUE AND CUP DOUBLE

MADE HOPPERS GREAT AGAIN, AGAIN AND AGAIN!!!

The third season of the #MHGA (Make Hoppers Great Again) campaign saw the Hoppers Sloggers claim an unprecedented third consecutive Boddingtons Village Cricket League league title and cup double.

Strength in the depth across an excellent squad was paramount, but standout performers were:

- Tom "The Postman" Peterson – delivered with a table-topping 17 wickets and 201 runs for the season
- Cameron "BOOM-BOOM" Berry – bad-tempered big-hitting dug us out of a few holes.
- Richie "The Irish Backstop" Sands – nine stumpings were three times more than his nearest rival

A tie in the cup semi-final saw us take part in a ground-breaking super over (before they became cool). Berry and Peterson whacked off 15 runs first up and then aging assassin "Uncle" Steve Kerry's miserly bowling and Lloyd "The Cat" Bell's acrobatic fielding restricted the opposition to just five.

The only blot on an otherwise perfect season was an away league loss to Guy's, which can largely be blamed on the questionable captaincy of "The Bad Boy of Strictly" Pingu Ingham.

Sincere thanks to all involved in organising the BVCL and the opposing teams, who play competitively but always in the right spirit.

Special mention also to the key cogs in our DOMINANT WINNING MACHINE: John Dewhurst, Keith Battersby, Ken Moore (season debut aged 77 years and 71 days) and Malcolm Alden, whose free-style scoreboard operation keeps everyone guessing.

Could we also thank "Official Hat Partner 2019: Beefy Mick's Digital Sweatshop (Blue Wren)"

Next season we go again, looking for four-in-a-row!

PRESTON GRASSHOPPERS WOMEN VS KENDAL LADIES

Sunday 29th September
KO - 1pm
@ Kendal Rugby Club

Preston Grasshoppers Women travel away this weekend to Kendal for their first away game of the season hoping to leave with a better result than the defeat they faced in their first game. Unfortunetly Hoppers women's captain Emma Pooley left the game injured with a broken hand and has shed her thoughts below for the upcoming fixture.

"This season has seen a lot of new faces enter the team which is always a learning curve but those new faces already feel like family. This week we are looking to go out and secure a win but more importantly for me is to see the hard work every single Hopper has put in to growing this team on and off the pitch. I wish I could be there on the pitch with them but I will be in Spirit and definitely will be on the sideline being their loudest cheerleader."
