## A MESSAGE FROM THE PRESIDENT – Keith Brierley

Hello, welcome to Preston Grasshoppers to today's opponents Caldý and to visitors, guests, sponsors, coaches, players, ex-players, supporters and spectators for our latest home game of this campaign. We have always had competitive games against Caldý and I am sure that today, Hoppers will be doing all in their power to take advantage of the home fixture with a win to spoil Caldý's 100% record so far this season. Hopefully, today's game should offer some entertaining and competitive rugby, and I hope the current disparity in our league positions is not too evident on the pitch this afternoon.

It gives me immense pride to be President of Preston Grasshoppers in our Sesquicentenary year and it seems only yesterday that I was celebrating our Centenary year as a 1st XV player, which has provided me with life long friendships and many happy memories.

This is my second year as President and I have been to some new destinations and met lots of new and interesting people from the various clubs that we visited last season. Our success after promotion to League 2 North last season left us in a creditable 7th position in the league but this year although we were looking to improve on that position, we appear to be struggling to find our form of last season at the moment which has plunged us into the relegation zone. It has been a great honour and privilege to have served as your President and I am looking forward to carrying on in the same vein through the rest of this and next season. I would also like to thank all the army of staff and volunteers for their great work during the current season.

Keith

## TODAY'S VISITORS - CALDY

Preston Grasshoppers host undefeated league leaders Caldý at Lightfoot Green today, a game in which the visitors require just a couple of points to be crowned Champions. It will take a great effort from Hoppers to put a hold on any celebrations and make the visitors wait another week, but the visitors and their supporters can be sure there won't be any lack of effort on their part.

Caldý are set to make a quick return to National 1 with four or five games to spare, and with the prospect of becoming National 2 North Champions after today's game, the Lightfoot Green clubhouse will no doubt play hosts to a great number of travelling supporters from the Wirral.

Caldý's promotion at the end of the 2016/17 season ended a sequence of ten when both teams had faced each other in league contests, but the end of this season looks like seeing both clubs heading in different directions.

The inaugural senior game between Caldý and Hoppers was a pre-season warm-up fixture at Lightfoot Green prior to the 2004/5 season. Caldý had climbed the league ladder with a succession of promotions from the depths of South Lancashire and Cheshire 3, eventually gaining promotion to N2N as Champions of North 1 in 2007.

The first league meeting was at Paton Field back on the 6th of October 2007 when Hoppers turned round a narrow half time deficit to eventually run out winners by twenty points to sixteen. Since then just a couple of consecutive wins under Dave Baldwin's leadership have given Hoppers the spoils at Paton Field from a total of eight further visits.

There have been twenty one league meetings between the two clubs since Caldý's promotion in 2007. Our visitors currently hold the advantage with thirteen wins to Preston Grasshoppers tally of seven. Back in 2016, the game in Cheshire was drawn thirteen all.

## MILESTONES

Sam Wallbank will make his fiftieth appearance for Preston Grasshoppers in his next game for the club. The forward made his debut on the 7th of September 2013 at Dore Moor, in a winning game against Sheffield Tigers missing only one game that season before moving away from Hoppers until his return this season.

Congratulations Sam!

**Head of Rugby Operations,  
Gareth Dyer**

**HEAD OF RUGBY OPERATIONS Gareth Dyer welcomed our visitors this week and said**

"Good Afternoon and welcome to Champions Elect Caldý for today's National Two North fixture.

Clearly it is only a matter of time before the men from the Wirral are crowned Champions and we wish them well on their return to National One.

Congratulations go to Gareth Davies and Matt Cairns together with the rest of the coaching and of course the most important people, the players.

That Caldý have repeated what Hull Ionians did by bouncing back at the first attempt does perhaps indicate that the experience of playing at Level 3 does introduce an intensity and mindset that allows for a level of sustained performance in National Two that the seasoned incumbents are unable to match.

For our part, we will be looking to improve on last week's showing at Chester. Again, key decisions prevented us from really taking the game by the scruff of the neck. We were good enough to create chances to be further clear at the end of the first quarter than we were but if you don't take gilt edge opportunities then you cannot expect to win games. We stuck manfully to the task but the second half had a familiarly disappointing feel to it in terms of our game management and discipline under pressure.

We continue to re-shape the squad and discussions are ongoing with players about where they stand for next season. We will continue our recent policy of giving youngsters opportunities over the coming weeks when we believe it is the right opportunity to do so.

Relegation has consequences and I think the meetings that we are currently having are bringing that home to people.

It is clear where we need to improve the squad and we are working hard to do that.

One announcement I can make is that we have appointed Byron McGuigan to our coaching staff for next season. Byron is a current Sale Sharks and Scotland winger and is part of the Scottish Six Nations squad that will face France tomorrow.

Byron will become our backs and defence coach and I believe he will bring significant value to our set up. He has impressed in the discussions we have about how he wants to approach the role and his key areas of focus. I believe they will dovetail well with what our needs are and I expect him to have a big influence on our squad next season."

**HEAD COACH Paul 'Arnie' Arnold had this to say this week**

**Head Coach,  
Paul Arnold**

"Firstly, welcome to everyone from Caldý and let me congratulate them all on an unbelievable season. They are a good bunch of lads and I wish them well on their return to National League 1 next season.

As for us, as massive underdogs, we just have to believe in ourselves and play with confidence.

Last week's performance against Chester was better in parts compared to previous games and we have to try and build on that until the end of the season.

Our season continues to be plagued by injuries and last week we have lost Nick Gregson with a knee injury and Luke Procter with a broken foot.

On the positive side, it was great to see Matt Lamprey making his comeback from injury.

Our rebuilding process has started in anticipation of next season including Byron McGuigan joining us as backs coach and a number of players re-signed already for next season.

As always, thank you for your support and please try to get behind the young lads today.

## BITS AND PIECES

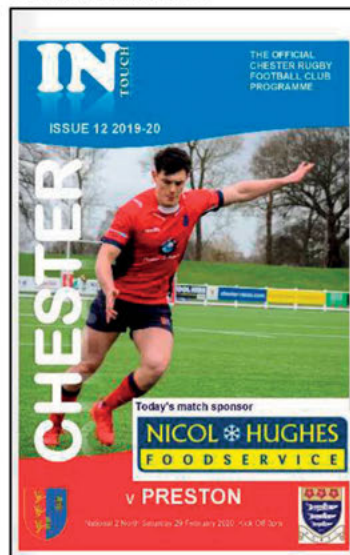

Preston Grasshoppers are pleased to announce that we've teamed up with Net World Sports. The online sports equipment company stocks a wide range of rugby equipment and the partnership will see the club receive new rugby tackle bags and water bottles.

Speaking on the subject of the partnership, Hoppers Head Coach Paul Arnold said "We are delighted to start this partnership with Net World Sports, I have heard some great things about them. It is clear they share our vision for excellence and high performance. The kit they have supplied is great quality and we hope they can grow their business, through us".

Ryan from Net World Sports was equally pleased about the partnership saying "We already stock a wide range of rugby

products and we plan to continue building out our rugby equipment offering in 2020. Having a well-established and well supported club like Preston Grasshoppers using our products is great as we look to build awareness of our growing range of rugby products.

## PROGRAMME

Away supporters to our last game against Chester may have been surprised that there was no programme on sale, in that the programme was only available electronically online. Chester featured the team sheet on one of the televisions in the club house. (At best on a good day they say they only sell approximately 40 copies for each game.)

Following a number of questions to the Chester club officials, they see this format for the programme as the way forward.

We would like to hear feedback from not only the away supporters who travelled to Chester, but people who support Hoppers at home games too.

Would you rather have a paper programme to take away with you to read at your leisure or just a link to a website? (Our programme is featured on our website just in case you couldn't make it to the game.)

If you have an opinion as to our future programme productions, please email the programme editor Joe at

[the\\_moxhams@tiscali.co.uk](mailto:the_moxhams@tiscali.co.uk) or approach me personally in the club house.

*Editors note: Chester couldn't even include our proper name on their programme.*

## MINI JUNIOR AND COLTS RUGBY AT LIGHTFOOT GREEN

*Hugh Duckworth*

Welcome back to players and parents alike to the forty sixth season of Mini Junior Rugby at Lightfoot Green. A particularly warm welcome to those registering for the first time.

In terms of registered players, 2018/19 saw 400 plus youngsters enjoy the rugby experience at Hoppers. Not only did the number of volunteer coaches and managers increase by 20%, but also there was a planned and effective focus on achieving the England Rugby Coaching Award. This in itself is a tremendous platform for future growth. Two Junior age groups with high numbers played double fixtures throughout the season, thereby ensuring all youngsters enjoyed game time.

The Artificial Grass Pitch, entering its fourth year, has proved to be an invaluable asset, not only allowing more rugby to be played by an increasing number of youngsters but also leading to improved management of the grass pitches. The RFU now appreciates the challenge of providing mid-week training for over two hundred youngsters and has arranged for the club to pre-book two hours on the AGP every Wednesday evening. This represents a tremendous concession and can only lead to an improved standard of Junior Rugby here at Preston Grasshoppers.

*Charlotte Kenny Mcinally*

The Colts demonstrated tremendous team spirit throughout the season, which culminated in a successful end of season tour to Bristol. Several of the ex-Colts are currently enjoying pre-season training with the first and second team squad. Phill Mills will be lead coach for 2019/20, supported by First XV player Ryan Carlson and Ollie Hoban, a former Colt.

The local Land Rover retailer has sponsored Mini Junior Rugby at Preston Grasshoppers since 1997 and last season saw the fourth name change - to Inchcape. In celebration, our sponsor funded the purchase of brand new kit for the Under 7s to 16s inclusively and for the first time the playing shirts reflected the dual brands of Jaguar and Land Rover. These were not only a great source of pride to the youngsters but also the envy of the opposition!

*Ryan Carlson*

The club is particularly indebted to UCLAN (University of Central Lancashire) for providing First Aid cover on a Sunday throughout the season. The students have achieved an extremely comprehensive and professional standard, and generated favourable feedback from visiting teams.

Simon Seekings and the catering team deserve a special thank you for serving approaching three thousand portions of sausage and chips to visiting teams. This fact alone reflects the scale of Mini Junior Rugby at Hoppers.

Finally a big thank you to Dave Preston and Derrick Cray for their outstanding commitment to preparing and maintaining the pitches to such a high standard.

In terms of representative honours in 2018/19, fourteen players from the Under 15s and Under 16s were selected for Lancashire, and four for the Sales Sharks Junior Academy. Four ex Preston Grasshoppers players were selected for the Sale Sharks Senior Academy and all played for Sale Sharks during last season. Arron Reed played for England in the Under 20s World Cup in Argentina, and Kieran Wilkinson in the Under 20s Six Nations.

New milestones were achieved with the Hoppers Festivals, the long-standing and successful one day events for the Under 7, Under 8 and Under 9s and separately for the Under 10, Under 11 and 12s were repeated. For the very first time these were supplemented by an Under 13s Festival, the success of which providing the platform for a much bigger event in 2019/20. The club is indebted to Vivienne Davenport of Westholme School for confirming the continued sponsorship of the Hoppers Festivals in 2019/20.

The Sportsman's Dinner, with Jason Leonard as Principal Speaker, was a sell out. The monies raised contributing to the ongoing pitch improvement programme.

The Presentation Dinners at the end of the season were successful events and achieved record attendances. The Masters of Ceremonies, Ian Gaskell and Daniel Weed deserve a particular vote of thanks. Alex Carson, captain of the Under 16s, presented the awards at the Junior Dinner, he himself receiving the Founders Cup for 2018/19 towards the close of the event.

Oga Mabaya from the First XV proved a popular choice at the Minis Dinner.

The Hoppers Tours go from strength to strength and reflect the scale of Mini Junior Rugby here at Lightfoot Green, with approaching five hundred departing on six separate tours.

Looking forward, the plans for 2019/20 will be threefold.

- Firstly, aim to achieve an improvement in skill levels in the Junior age groups, based on the increased availability of the AGP for midweek training.
- Secondly, retain the focus among the volunteer coaches on achieving the England Rugby Coaching Award.
- Finally, improve the availability of professional coaches to the Junior age groups.

Commitment to these three areas will not only assist in the management of our numbers but also improve the standard of Mini Junior and Colts Rugby offered by Preston Grasshoppers.

## HOPPERS WOMEN'S RUGBY

Report by Victoria Kenyon. Photo's courtesy Gareth Lyons.

### Preston Grasshoppers Women vs Broughton Park Ladies

Preston Grasshoppers Women faced Broughton Park Ladies at home on the 1st March.

Going into this game after a week of improving on our defence in training, we were positive we would come away with a better score than our last match.

In the first 4 minutes Broughton Park scored a try with their number 4 converting making the opening score 7-0.

Broughton Park were penalised for a high tackle to Hoppers 9 resulting in a penalty to Hoppers. Unfortunately we were unable to add any points to the board from this. Hoppers played with all their hearts determined as ever and we were rewarded with our own Poppy Welsh scoring a try from a pick and go with Sinead Doria scoring the conversion making the score 7-7.

Broughton Park went on to score one more try in the first half with a successful conversion making the half time score 14-7 to Broughton Park.

In the second half Hoppers work ethic was shown in what can be described as a ping pong half with each side constantly attacking the others half. Before the end of the game Rosie Fane scored another try for Hoppers with Col Weepman successfully kicking to make the final score 14-14.

This game proved Hoppers we're able to bounce back and gain a draw from the defeat against Sale 1861 the previous week. Every girl put in 100% on the pitch which was reflected in the score and improvements from the previous game we played.

### Preston Grasshoppers Women v Sale 1861

On Sunday 23rd February Preston Grasshoppers Women travelled away to play against Sale 1861 Ladies who are currently top of the league. Hoppers went into the game with enthusiasm and a want to prove ourselves against the side we suffered a close loss to at home.

During the first 5 minutes of the game Sale put a try on the board but missed the conversion making the opening score 5-0. Hoppers went on to gain a penalty 10 minutes into the game with Sinead Doria successfully kicking, making the score 5-3. However Hoppers were unable to put any more points on the board despite best efforts for the rest of the game. Sale went on to score 5 more tries in the first half making the half time score 32-3. Unfortunately for Hoppers, after half time, they were still unable to put more points on the board, whilst Sale gained several more tries making the final score of the match 67-3. This meant Sale had won the entire league. Hoppers were able to come away from the game knowing what needed to be worked on and feeling proud of the effort shown on the pitch in what was a difficult game.

Every Hoppers player put in 100% and although that was not reflected in the score they came away knowing how to improve and looking forward to the game next week to Broughton Park. (See above).

## Everyday.

**Everyone, everywhere has mental health - good, bad or indifferent.**

There will be things that affect your mental health, say, a really good (or bad!) result in the rugby for example.

Everyday, our mental health will go up and down and be affected in many different ways.

But there may be times, at different points in our lives, when we may start to struggle with our mental health.

Now, there may be obvious reasons for that, say relationship,

money or work difficulties for example, but at the same time there may not - and that is ok.

The thing that matters the most is that, if you do ever begin to struggle, you know what to do.

Everyday, people are working to develop new services, conduct new research and offer real, practical paths to recovery for anybody who needs it.

We want to make that support as easy as possible to find.

We want you to know that you have options.

We have compiled those options into one, go-to mental health database - **The Hub of Hope.**

The Hub of Hope is a free, downloadable app and website, that will show you local and national mental health support of all kinds so that you can access help if and when you need it.

You can also text **HOPE to 85258** at any time, any day for free confidential support.

You are never alone. There is help available. Every single day.
