## A MESSAGE FROM THE PRESIDENT – Keith Brierley

Hello, welcome to Preston Grasshoppers to today's opponents Fylde RFC and to visitors, guests, sponsors, coaches, players, ex-players, supporters and spectators for our latest home game of the season.

It gives me immense pride to be President of Preston Grasshoppers in our Sesquicentenary year and it seems only yesterday that I was celebrating our Centenary year as a 1st XV player, which has provided me with life long friendships and happy memories.

We have always had competitive games against Fylde and I am sure that today, Hoppers will be doing all in their power to take advantage of the home fixture with a win to help take us out of the relegation zone. Hopefully, today's game should offer some entertaining and competitive rugby, each team looking for the win to improve their position in the table for the rest of the season ahead.

This is my second year as President and I have been to some new destinations and met lots of new and interesting people from the various clubs that we visited last season. Our success after promotion to League 2 North last season left us in a creditable 7th position in the league but this year we are looking to improve on that.

I feel I must thank Paul (Arnie) Arnold and his excellent coaching staff and not least the players who are all playing their part this season.

It has been a great honour and privilege to have served as your President and I am looking forward to carrying on in the same vein through this and next season. I would also like to thank all the army of staff and volunteers for their great work during the forthcoming season.

Keith

## PRESTON GRASSHOPPERS CHRISTMAS PANTOMIME

Just when you thought it was safe to escape the Christmas and New Year jollities, Smoker Productions will be launching the 150th Anniversary Pantomime on Friday 3 January at 7.30pm in the Clubhouse.

For those of you who don't know about the venerable tradition of Hoppers pantomimes (and Ryan Carlson who doesn't even know what a pantomime is but is appearing in this one) they follow an invariable format. Performers drawn from most sections of the club enact, in traditional pantomime style, the story of brave Hoppers lads (and lasses nowadays) defeating the dastardly plans of the evil Fylde cads.

Some of the traditional players from years gone by such as the Matron who cares for the brave Hoppers players and Dulles Ditchwater the malign genius behind Fylde will be making an appearance. They will, however, be outshone by the new generation led by the inimitable Arnie who gets title billing, current and recent players and members of the bar staff.

Music, songs and community singing will be led by the Brasshoppers.

All in all, it will be a night to remember. Oh no it won't. OH YES IT WILL so make sure you are there.

## HATS OFF TO BROMAK

A big thank you to Dave Brooks and his company Bromak who have sponsored and provided new shirts for the 3rd XV, 4th XV and the Colts.

## TODAY'S VISITORS - FYLDE RFC

Current second place sides at opposite ends of the table meet at Lightfoot Green today what will be the final league game of 2019. Preston Grasshoppers will be hoping to go one better than in their drawn game last Saturday and at the Woodlands earlier this season.

Looking back to last Saturday's game at Cross Green the question buzzing amongst their supporters after the game was when did Hoppers (if ever) draw a game nil-nil? No one could recall a first fifteen game ending that way and indeed there hasn't been such an occurrence in any of our previous seven hundred and forty four league matches. There have however been eighteen completed games finishing this way since points had been awarded for scoring efforts upon Hoppers resurrection in 1900.

The most recent of these was on New Year's Day in 1985 and the possibility of none of the Hoppers or Blackburn players having the energy to score points after the previous evening's celebrations is a distinct possibility! Going back to the next time Hoppers and their opponents served up a similar score line was when Broughton Park were the visitors to Lightfoot Green on the 15th of January 1983. Amongst other such 'pointless' events, the most curious could be when back in 1921/22 and the following season when Furness were the visitors on both occasions!

And finally another couple of low scoring Hoppers statistics. The previous lowest score in a league game was a three nil victory at Winnington Park on the 6th of October 1990 and the last occasion a game was completed without a try being scored by either team, was the victory over Harrogate at Lightfoot Green on the 2nd of April 2016.

Although last weekend's game at Cross Green ended scoreless it was far from a dull affair. Both teams gave their all in the most terrible of conditions, clinging mud, a howling gale and frequent heavy rain showers didn't detract from the spectacle. The home side had looked most likely to score the decisive points but Hoppers defence was resolute throughout. However, it was the visitors who came closest to taking the spoils with a concerted last effort deep into injury time seeing them batter away at the home line for phase after phase only for their efforts to end when a second attempted drop goal passed narrowly wide.

Hoppers will be hoping to take their performance at Cross Green up another level against Fylde whose form has stuttered in recent weeks. After their drawn game against Hoppers they then went on a six match winning streak before losing at current league leaders Caldy, hammering Loughborough Students in Ansdell, a narrow victory at Luctonians then losing their home record to Hull followed by close victories over Sedgley Park and Hoppers opponents last week over in Yorkshire before losing at Dore Moors last Saturday.

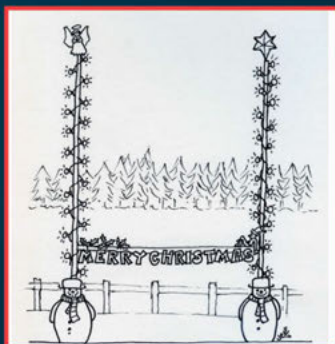

## SESQUICENTENARY GOLF TOURNAMENT *(See poster on page 30)*

With Christmas round the corner, there has been a good response to the launch of the Hoppers Sesquicentenary Golf Event in May from the Hoppers Business Network. Local technology company Infinium has signed on as Main Sponsor and several members have taken team and sponsorship packages. If you would like to support the club and three very worthwhile charities by taking a sponsorship package, entering a team or giving a sporting Christmas gift please contact event organisers Ian McFarlane, Max Horton, Paul Carroll or Keith Aitchison at the club or via the office on [info@pgrfc.co.uk](mailto:info@pgrfc.co.uk).

## TODAY'S MATCH SPONSOR - PTS

Pavement Testing Services (PTS), established in 2002, PTS operates both in the UK and internationally, in three distinct areas, Highway Assessment Surveys, Materials Testing and Certification. Other unique and specialist services include being the only provider of NVQ Diplomas in Laboratory and Associated Technical Activities in conjunction with the Institute of Asphalt. Based at Rough Hey Industrial Est in Preston we employ over eighty permanent staff, many of whom are here today for our Christmas party.

We have been sponsoring Hoppers for all our 18 years existence and will continue to do so, having enjoyed ourselves every time. Today's fixture has the added spice of being a local derby and we've been somewhat of a good luck charm for Hoppers having sponsored them when England lifted the world cup in 2003 through to last year's demolition of Hull. After the draw at the Woodlands we're looking forward to today's game and hopefully an early Christmas present with a win.

## ASSOCIATE MATCH SPONSOR WALKER ELECTRICAL CONTRACTORS LTD

Today's associate match sponsor is Walker Electrical Contractors Ltd. Walker Electrical Contractors are a very ambitious and successful Electrical Contractor based on the docks in Preston. We excel at delivering planned maintenance and projects on a regional and national basis. We are committed to providing the highest quality Commercial and Industrial electrical services throughout the North West and across the UK. Our services range from portable appliance testing to full turnkey project management, and we are qualified, insured and dedicated to providing all manner of industrial and commercial electrical solutions. There is no job too big or too small for us here at Walker Electrical and we will always provide top quality services for a reasonable price.

Managing Director David Walker has a strong connection with Grasshoppers as he used to wear the colours himself! Playing for the team was a privilege for David, but after an injury set back, he concentrated his efforts into the electrical industry and now has his own thriving business. This gives him the ability to sponsor and help his club today. David's Company logo resides on the scoreboard and the sleeve of each of the Hoppers shirts, and with this, he still feels that pride as if he was pulling on that shirt himself!

We hope you all enjoy the day as we will, and come on, up the Hoppers!!!!a win.

**HEAD OF RUGBY OPERATIONS Gareth Dyer welcomed our visitors this week and said**

"A warm welcome to our neighbours and to everyone I wish everyone the compliments of the season.  
Last weekend was a first for many, given scoreless draws don't happen too often. The conditions made for a difficult game but I thought both sides showed great skill considering.  
It was another step forward for us with the solid defensive display and our overall game management was a lot better if not perfect. The officiating could have been more sympathetic given the conditions. I'll leave that there.  
Fylde come into the game as warm favourites based on our respective positions in the table today. However, I note they have started to accumulate injuries and we know how disruptive to a season these can be. We are starting to come out the other end on that front and with returning players getting games under their belts the improvement in performance is noticeable by the week.  
We've been written off by many but I believe things are turning around. Let's just see if we can improve sufficiently today to cause an upset.  
To the Preston faithful, get behind your lads.  
Many thanks for all your support this year.  
Merry Christmas and a Happy New Year and see you all in 2020."

**Head Coach,  
Paul Arnold**

**HEAD COACH Paul 'Arnie' Arnold had this to say this week**

"Firstly a warm welcome to our friends from Fylde a club I know pretty well! Last week everyone without exception put their hearts and souls into a gritty 0-0 performance away at Otley, especially our captain fantastic PJ who at midnight on the Saturday got rushed to hospital with a suspected heart attack. Luckily for us all it wasn't, but he has got an infection around his heart which will see him ruled out for a while.  
Get well soon skipper.  
Fylde are massive favourites for today's game but on derby days you never know and I've been a good boy all year, so I've asked Santa for a win. No matter what the result today I'll see you in the bar afterwards for a Christmas drink. Merry Christmas and as always, thank you for your support."

**CAPTAIN Paul 'PJ' Millea said this week**

"Following a health scare I am going to be out of the loop for a time but I would like to thank all those who have wished me well over the last couple of days.  
I am immensely proud of the effort from the lads last weekend in our game against Otley and I am proud to have captained (not giving up just yet!) this great club."

# BOXING DAY CHARITY MATCH 2019

## HOPPERS XV v STEVE NICHOLLS XV

### KICK OFF 1.00pm

## STEVE'S STORY

In July this year, at the age of 58, Hoppers member and volunteer Stephen Nicholls suffered an extensive Ischaemic Stroke caused by undiagnosed Atrial Fibrillation. Stephen had just retired 8 months earlier following 41 years working for BAE Systems. He was enjoying retirement doing all the things he wanted to do. He was fit and healthy, cycling 50/60 miles a day 2 or 3 times a week. Using his engineering skills, he was always fixing and repairing bikes or indeed anything that needed fixing or repairing for anyone, always assisting friends and family who needed help.

Following his stroke, Stephen was left with a facial and dense right sided weakness. He currently has no movement in his right arm and hand, and very limited movement in his right leg. He also has expressive dysphasia which means

he struggles to speak and express himself. All the evidence suggests that his abilities will only improve if he has intensive physiotherapy, speech therapy and specialist support. Due to the lack of movement in his right arm Stephen is unable to utilise a wheelchair independently which means he cannot even move around the house without help. An electric wheelchair would give him much needed independence.

We are looking to raise money so we can purchase a wheelchair, support home alterations to accommodate Steve's disability which include adaptations to the bathroom and to provide specialist rehabilitation to include physiotherapy and speech therapy.

Stroke is such a devastating illness which is so underfunded. With your support we want to give Steve the best possible opportunity to maximise his potential so he can return to enjoying his well-earned retirement and resume his attendance at the Hoppers. Thank you for your support!

A proportion of Boxing Day takings will also be donated to the Stroke Association for similarly afflicted people who are striving to recover and trying to get back to normal living.

Please give generously on the day, but if you are unable to attend, there is a Just Giving site to which you could donate. Just hover your smart phone over the QR code (below right) and the Just Giving site will pop up. Alternatively Google Just Giving and search for Jennifer Parkinson.

Today there are many fabulous raffle prizes especially those provided by Cuffe and Taylor including tickets for two to each night of Lytham Festival which this year features Little Mix, Snow Patrol, Westlife, Lionel Richie and Lewis Capaldi. A must for music fans so please support the cause. They have also provided tickets for the Question of Sport Live Tour.

Chris Ford from Accor Hotels has donated a night away together with tickets for the races at Haydock Park. There are many more prizes on offer so please dig deep for the benefit of all stroke victims.

## MINI JUNIOR AND COLTS RUGBY AT LIGHTFOOT GREEN

*Hugh Duckworth*

Welcome back to players and parents alike to the forty sixth season of Mini Junior Rugby at Lightfoot Green. A particularly warm welcome to those registering for the first time.

In terms of registered players, 2018/19 saw 400 plus youngsters enjoy the rugby experience at Hoppers. Not only did the number of volunteer coaches and managers increase by 20%, but also there was a planned and effective focus on achieving the England Rugby Coaching Award. This in itself is a tremendous platform for future growth. Two Junior age groups with high numbers played double fixtures throughout the season, thereby ensuring all youngsters enjoyed game time.

The Artificial Grass Pitch, entering its fourth year, has proved to be an invaluable asset, not only allowing more rugby to be played by an increasing number of youngsters but also leading to improved management of the grass pitches. The RFU now appreciates the challenge of providing mid-week training for over two hundred youngsters and has arranged for the club to pre-book two hours on the AGP every Wednesday evening. This represents a tremendous concession and can only lead to an improved standard of Junior Rugby here at Preston Grasshoppers.

*Charlotte Kenny Mcinally*

The Colts demonstrated tremendous team spirit throughout the season, which culminated in a successful end of season tour to Bristol. Several of the ex-Colts are currently enjoying pre-season training with the first and second team squad. Phill Mills will be lead coach for 2019/20, supported by First XV player Ryan Carlson and Ollie Hoban, a former Colt.

The local Land Rover retailer has sponsored Mini Junior Rugby at Preston Grasshoppers since 1997 and last season saw the fourth name change - to Inchcape. In celebration, our sponsor funded the purchase of brand new kit for the Under 7s to 16s inclusively and for the first time the playing shirts reflected the dual brands of Jaguar and Land Rover. These were not only a great source of pride to the youngsters but also the envy of the opposition!

*Ryan Carlson*

The club is particularly indebted to UCLAN (University of Central Lancashire) for providing First Aid cover on a Sunday throughout the season. The students have achieved an extremely comprehensive and professional standard, and generated favourable feedback from visiting teams.

Simon Seekings and the catering team deserve a special thank you for serving approaching three thousand portions of sausage and chips to visiting teams. This fact alone reflects the scale of Mini Junior Rugby at Hoppers.

Finally a big thank you to Dave Preston and Derrick Cray for their outstanding commitment to preparing and maintaining the pitches to such a high standard.

In terms of representative honours in 2018/19, fourteen players from the Under 15s and Under 16s were selected for Lancashire, and four for the Sales Sharks Junior Academy. Four ex Preston Grasshoppers players were selected for the Sale Sharks Senior Academy and all played for Sale Sharks during last season. Arron Reed played for England in the Under 20s World Cup in Argentina, and Kieran Wilkinson in the Under 20s Six Nations.

New milestones were achieved with the Hoppers Festivals, the long-standing and successful one day events for the Under 7, Under 8 and Under 9s and separately for the Under 10, Under 11 and 12s were repeated. For the very first time these were supplemented by an Under 13s Festival, the success of which providing the platform for a much bigger event in 2019/20. The club is indebted to Vivienne Davenport of Westholme School for confirming the continued sponsorship of the Hoppers Festivals in 2019/20.

The Sportsman's Dinner, with Jason Leonard as Principal Speaker, was a sell out. The monies raised contributing to the ongoing pitch improvement programme.

The Presentation Dinners at the end of the season were successful events and achieved record attendances. The Masters of Ceremonies, Ian Gaskell and Daniel Weed deserve a particular vote of thanks. Alex Carson, captain of the Under 16s, presented the awards at the Junior Dinner, he himself receiving the Founders Cup for 2018/19 towards the close of the event.

Oga Mabaya from the First XV proved a popular choice at the Minis Dinner.

The Hoppers Tours go from strength to strength and reflect the scale of Mini Junior Rugby here at Lightfoot Green, with approaching five hundred departing on six separate tours.

Looking forward, the plans for 2019/20 will be threefold.

- Firstly, aim to achieve an improvement in skill levels in the Junior age groups, based on the increased availability of the AGP for midweek training.
- Secondly, retain the focus among the volunteer coaches on achieving the England Rugby Coaching Award.
- Finally, improve the availability of professional coaches to the Junior age groups.

Commitment to these three areas will not only assist in the management of our numbers but also improve the standard of Mini Junior and Colts Rugby offered by Preston Grasshoppers.

## HOPPERS WOMEN'S RUGBY HOPPERS V ASHFIELD

Report by Victoria Kenyon. Photos courtesy Zoe Allen (Ashfield)

Ashfield scored without converting making the opening score 5-0. Hoppers then found determination and also scored a try but unfortunately missed the conversion making the score 5-5 making the game even in the opening 10 minutes.

Unfortunately for Hoppers they suffered 2 injuries to both Liv Jacques and Liv Frith who had to leave the pitch. Hoppers women were determined to not let this affect their side as they went on to score by means of Sarah Lovejoy and Sinead Doria kicked the conversion making the score 5-12 giving us the lead for the first time in the game.

Determined to catch up, Ashfield scored another unconverted try before half time making the score 10-12. After half time Ashfield's determination was shown as they took the lead off Hoppers in the form of another try and conversion making the score 17-12. Hoppers defended as well as they could despite the injuries and extremely cold conditions they were faced with. The second half was filled with excellent attack from the Hoppers women but they were unable to get over the try line again. Ashfield gained another try and conversion making the final score for the game 24-12.

Our forward of the match was Poppy Welsh, back of the match Sinead Doria and nominated player of the match by Ashfield was Lucy Gray.

Hoppers Women's next game will be on the 1st January at home against Burnley where hopefully they will come away with more success on the score board.

## Everyday.

**Everyone, everywhere has mental health - good, bad or indifferent.**

There will be things that affect your mental health, say, a really good (or bad!) result in the rugby for example.

Everyday, our mental health will go up and down and be affected in many different ways.

But there may be times, at different points in our lives, when we may start to struggle with our mental health.

Now, there may be obvious reasons for that, say relationship,

money or work difficulties for example, but at the same time there may not - and that is ok.

The thing that matters the most is that, if you do ever begin to struggle, you know what to do.

Everyday, people are working to develop new services, conduct new research and offer real, practical paths to recovery for anybody who needs it.

We want to make that support as easy as possible to find.

We want you to know that you have options.

We have compiled those options into one, go-to mental health database - **The Hub of Hope.**

The Hub of Hope is a free, downloadable app and website, that will show you local and national mental health support of all kinds so that you can access help if and when you need it.

You can also text **HOPE to 85258** at any time, any day for free confidential support.

You are never alone. There is help available. Every single day.
